 - ✓ Modern Vocabulary & Phrases
 - ✓ Grammar Rules with Examples
 - ✓ Real-life Conversation Practice
-

Who Can Use This Book?

- Beginners starting English speaking
 - Students preparing for interviews
 - Working professionals
 - Anyone who wants to speak fluent English
-

“Speak English Naturally, Not Perfectly”

SYNOPSIS

This booklet, **“Easy Spoken English – Book for Readers”**, is a comprehensive guide designed to improve spoken English skills from basic to advanced levels. It focuses on **practical usage of English** rather than just theoretical knowledge, making it ideal for everyday communication.

The content covers essential grammar topics such as **tenses, active and passive voice, modals, conditionals, and sentence structures**, along with a wide range of **daily-use sentences, idioms, and phrasal verbs**. Special emphasis is given to **modern vocabulary and conversational English**, helping learners sound more natural and confident.

The book is structured in a way that allows learners to gradually progress from simple sentences to more advanced expressions. Each section is supported with examples that can be used in **real-life situations such as conversations, interviews, and professional communication**.

In addition, the booklet encourages consistent practice through structured learning methods, enabling users to **build fluency, improve pronunciation, and gain confidence** in speaking English.

Overall, this book serves as a **practical companion for anyone looking to enhance their spoken English skills efficiently and effectively**.

ANNEXURE

– A: Vocabulary & Usage Compilation

This document is a curated collection of:

- Everyday English phrases and expressions
